

Paper and Corrugated Sheets Drilling Machines

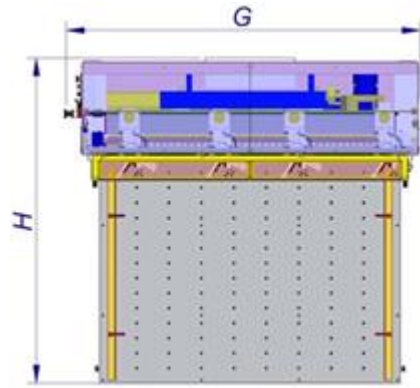

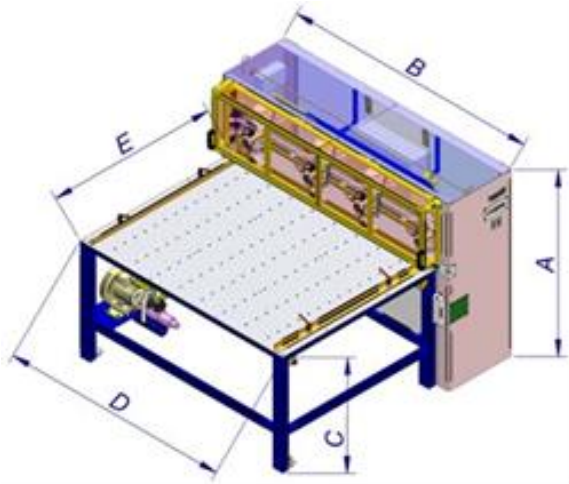

FEATURES:

- Own compressor for the air table
- 1 to 6 drilling heads.
- Removable side gauges for **unlimited drilling length**
- Automatic waste collector system
- We can **manufacture any table size** or extra transfer tables to meet your production process

MODEL	CD1300	CD1600	CD2000	CD2300	CD3200
Maximum drilling width	1100 mm 43"	1400 mm 55"	1800 mm 71"	2100 mm 83"	3000 mm 118"
Minimum drilling width	140 mm (5 ½") with two or more drilling heads				
Maximum drilling height	50 mm (2") approx. depending on the drilling head				
Maximum drilling length	200 mm (8")				
Minimum drilling length	10 mm (1/3") with new drills, 32 mm (1 ¼") with sharpened drills				
Cycles per minute	20-35 depending on the main motor speed				
Number of bits	1 set of ø4, ø6, ø8, ø10 and ø12 with every drilling head				
Net weight	960 kg 2120 lb	1100 kg 2420 lb	1300 kg 2870 lb	1500 kg 3300 lb	2000 kg 4400 lb
Power	3 kw	5 kw			

Drilling Machines' dimensions

MODEL	CD1300	CD1600	CD2000	CD2300	CD3200
A- Main body height	1600 mm (63")				
B- Main body length	1500 mm 59"	1800 mm 71"	2200 mm 87"	2500 mm 99"	3400 mm 134"
D- Table length	1300 mm 51"	1600 mm 63"	2000 mm 79"	2300 mm 91"	3200 mm 126"
C- Table height	900 mm (35")				
E- Table width	1300 mm (51")				
H- Machine width	1960 mm (77")				
G- Machine length	1660 mm 65"	1960 mm 77"	2360 mm 93"	2660 mm 105"	3560 mm 140"
